- **Information regarding rental prices and possible surcharges applicable in train stations and airports:**

Our tariffs are set mainly according to the length of your rental, and the category of Vehicle rented. Surcharges may also be applied if You collect your Vehicle from a Europcar agency at a train station or airport. You will find all the information to enable You to understand the pricing structure applied in the Europcar Recommended Tariffs Guide attached to Your confirmation email (if a rental reservation is made online) and available from a Europcar agency and/or on the Europcar website.

- **How fuel is billed:**

The Vehicle must be returned with the same amount of fuel as that stated in your rental agreement when leaving the rental agency.  - for carrying a number of persons in excess of that mentioned on the Vehicle's registration certificate;
 - for carrying inflammable and/or dangerous merchandise, toxic, harmful and/or radioactive products or those that infringe current legal provisions (provided that such exclusion does not prohibit You from transporting items of everyday life which do not infringe the applicable laws and whose transportation would correspond to a normal use of the rented Vehicle);
 - for the transport of merchandise with a weight, quantity and/or volume in excess of what is authorized in the Vehicle's Traffic Circulation Permit and/or Technical Inspection Sheet;

This authorization may be issued within 48 hours (except on weekends and public holidays) of receipt by Europcar of Your request. Please note that You and Europcar remain liable for damage sustained by third parties when the Vehicle boards or disembarks from any type of boat, ship, train, truck or plane when You remain inside the Vehicle. However, You remain liable for damage sustained during transport of the Vehicle when the vehicle is stationary. You may contact the carrier to obtain reimbursement for any damage.;

If Europcar grants its consent to You in accordance with the above, Europcar will inform You of the third party insurance cover that may be applicable in this case and which will vary depending on the circumstances.
- For business customers (B2B), please note that Europcar proposes an insurance protection with a limited warranty up to the excess amount indicated on your Rental Agreement. Nevertheless, we draw Your attention that if Europcar's Vehicle repair costs represent more than 10% of Europcar's turnover with the business customer, we reserve the right to terminate the rental agreement.
 - During the rental, You must take all necessary protective measures to keep the Vehicle in the same condition as that in which You have taken possession. In particular, you and/or the Driver are required to perform customary inspections as to the Vehicle condition such as oil and water levels, and tire pressure.

You may be held liable to Europcar for any detrimental consequence arising out of any infringement to the abovementioned obligations. Please be aware that failing to fulfil the abovementioned obligations may limit any right to compensation for the damage which You may claim.

Any change to that information could therefore mean that the price also changes. The price of Your rental will be that in force at the time of booking or at the time You make any subsequent changes to the booking.

- **The Deposit.** In addition to the rental price (that You have prepaid during the booking or that You will pay at the pick-up time or at the check-in) Europcar requires You to leave with it some security for any additional charges that may arise during Your use of the Vehicle over the Rental Period (see below).
If You booked your Vehicle remotely (on the web, through a mobile app or by phone), the security deposit is reiterated in the confirmation email sent to You following Your booking. In any event, You will be reminded of the amount at the agency. If You need further information about the security deposit, please refer to the paragraph below (*Article 19 "Do I have to pay a security deposit before taking the Vehicle?"*).

 - Damage management fees
 - Vehicle loss-of-use costs in the event of Damage

- Europcar may also charge You for various charges and fees that Europcar may apply in the case of incidents that may have occurred during the Rental Period and/or how You used the Vehicle. The prices (inclusive of VAT) of these charges and fees are listed in the Recommended Tariffs Guide attached to Your confirmation email (if a rental reservation is made online) and available from Europcar agency and/or on the Europcar website.
 - **Fines, fees and administrative costs for processing fines and fees:** You are responsible for any fines and fees resulting from use of the Vehicle by You or by additional drivers. Fines and fees may include:
 - fines owed for violating parking rules, in France or abroad,
 - post-parking fixed price, in the event of failure to immediately pay the Vehicle's on-street parking fee, or in the event of underpayment,
 - speeding fines in France or abroad,

- the amount of the fine or post-parking fixed price paid by Europcar and the costs it was forced to incur in connection with this payment.

You have the right to dispute the administrative costs of managing the fines and fees, as well as the amount of the fine or post-parking fixed price within 14 days of the date of invoice sent to You by Europcar. These sums will be refunded only if you can establish that You have paid the Vehicle parking fee immediately and have legibly displayed the receipt in the Vehicle, or that You are not liable for any violations committed with the Vehicle.

10) WHAT SHOULD I PAY ATTENTION TO WHEN PICKING UP THE VEHICLE?

When You pick up the Vehicle from Europcar You will be asked to sign, among other things, a section of the Rental Agreement that describes the Vehicle's condition at that particular time.

If You notice any apparent defect or Damage that is not described on the Rental Agreement then You should ensure a note is made on the document and that both You and the Europcar agent sign the change made to this section. Failure to request the abovementioned notice for this additional apparent defect or Damage, Europcar is entitled to assume that You have accepted the Vehicle in the condition set out on the Rental Agreement and to charge You for any new Damage that could be noted by You and the Europcar agent when the Vehicle is inspected at the time of its return.

11) WHAT PROCEDURES ARE BEING APPLIED WHEN RETURNING THE VEHICLE?

a) Return of the Vehicle during business hours of Europcar's agency

You should return the Vehicle to the Europcar agency, at the latest, on the date and time shown on the Rental Agreement. You may return the Vehicle to another Europcar agency for the cost indicated in the quotation sent to you.

Any unauthorized return of the Vehicle to another Europcar agency ("One way") may lead to your being billed for additional fees. For more information as to the amounts billed please see the Recommended Tariffs Guide attached to your confirmation email if you have made a reservation online which can be consulted in the agency and/or on the Europcar website.

The Rental Period will end when You return the Vehicle to the Europcar agency and hand the Vehicle keys and the registration documents to a Europcar agent or its representative.

Any return of the Vehicle prior to the date and time mentioned on the Rental Agreement shall not give rise to any reimbursement.

When You return the Vehicle to Europcar You must take the opportunity to inspect the Vehicle together with the Europcar agent or its representative and countersign a Vehicle return report.

Europcar cannot be held liable for any property and/or objects You may have forgotten in the Vehicle.

b) “Out-of-hours” return Service

Europcar recommends returning the Vehicle during opening hours of its agencies. However, to meet the specific needs of some of its customers, Europcar offers, in certain agencies, an additional “out-of-hours” service.

If You opt for this “out-of-hours” service, You accept that the Vehicle condition report can be drawn by the Europcar agent or its representative without Your presence and after drop off of the keys.

In agencies offering “out-of-hours” return services, the above-described procedure (see point 11)-a) above) was adapted to enable these agencies to offer this service in the best possible conditions.

In particular, You have to declare any incident and/or Damage that affects the condition of the Vehicle on the document that was given to You for this purpose when You picked up the Vehicle.

Depending on the available systems and the information You have received from Europcar, this document must be left in the Vehicle or returned with the keys in the “keys drop-box” provided for this purpose.

Please note that your Rental Agreement does not automatically end when You drop off the keys and that the Vehicle will remain in the parking space where You parked it until opening of the Europcar agency that will inspect the Vehicle and close out your Rental Agreement. Therefore, Europcar reminds you that you must park the Vehicle in a space provided for that purpose and in a manner so that the Vehicle is not a danger to others or hamper traffic as recommended by the Highway Code. You must also leave the Vehicle registration papers in the glove box.

Providing that the Vehicle is inspected at a later stage – during opening hours of the agency – Europcar recommends that You take photographs of the Vehicle in order to retain evidence of its condition once it is parked and before the drop off of the keys. Please be aware that such photographs must clearly show the date and the time in order to be evaluated by Europcar.

Europcar cannot be held liable for any property and/or objects You may have forgotten in the Vehicle.

c) Return of the Vehicle during opening hours of Europcar’s agency with an inspection in your absence.

If you are unable and/or refuse to inspect the Vehicle together with the Europcar agent or its representative, Europcar is authorized to inspect the Vehicle without your presence and to register your inability or refusal to take part in a mutual inspection.

The same Procedure as the one described above will apply (See 11°-b)).

d) Late return of the Vehicle

In the event that the Vehicle is not returned on the date shown on the Rental Agreement, and if a period of 24 hours elapses during which You have not provided any news regarding the delay in its return, Europcar shall regard the Vehicle as having been unlawfully appropriated and will be entitled to file a complaint with the competent local authorities.

In such case Europcar will be entitled to:

- charge You an additional day for each rental day at the rental tariff in effect, plus a fixed fee of EUR 50 net per day during which the Vehicle is kept beyond the rental period, unless You can demonstrate that You no longer have the Vehicle at Your disposal through no fault of your own or that the non-return of the Vehicle resulted through no fault of Your own.
- claim from You compensation for all Damage and losses suffered by Europcar, and the fines, tolls, penalties or sanctions owed with respect to the Vehicle as a result of demands issued to it by public administrations for the purpose of identifying the perpetrator or clarifying the circumstances relating to a breach or criminal offence. Bill You for the administration fees if the Vehicle is returned late.
- Europcar may also start legal proceedings in order to claim the immediate return of the Vehicle. Please note that, in such case, protections and additional contractual services have no effect.

12) DAMAGE TO THE VEHICLE

In the event of differences between the condition of the Vehicle as described when picking it up and that identified upon return, You may have to pay the amount as defined in the rules below).

a) Damage identified upon return of the Vehicle and in Your presence

If Damage is identified upon the return of the Vehicle when the inspection is made, in Your presence and in the presence of the Europcar agent or its representative, and if You acknowledge said damage by signing the statement of return of the Vehicle, Europcar will give You an assessment of repair costs that may be charged to You.

Repair costs vary depending on whether or not it is classified as Light Damage:

- Light Damage (minor damage caused to the Vehicle without altering its rental and capable of being driven in accordance with the rules of the Highway Code such as: light impact on windshield) is charged, in addition to Damage administration fees, according to the Maximum Recommended Tariffs Guide for damaged or missing components and Vehicle loss-of-use costs.
- Any other Damage not included in the Maximum Recommended Tariffs Guide for damaged or missing components mentioned above and / or any other serious Damage (i.e., significant Damage altering the Vehicle's rental and requiring its temporary loss-of-use for repair such as: damage to bodywork), will be evaluated by an independent expert and charged according to the expert's report or a cost estimation made with an independent auto-repair garage. Damage administration fees, in line with the Recommended Tariffs Guide, and Vehicle loss-of-use costs, will also be added to the amount of serious Damage assessed.

If You challenge the Damage and the invoicing thereof by refusing to sign the statement of return of the Vehicle, Europcar will apply the procedure described in Article 12)-b) below.

b) Damage identified in Your absence

If Damage is identified during the inspection of the Vehicle by a Europcar Agent or its representative in Your absence, Europcar will send to You the following documents:

- statement of return of the Vehicle describing all Damage identified
- pictures of said Damage
- An estimate (quote) of the costs of repair of said Damage that will vary depending of the nature of the Damage (see above, article 12)-a) paragraph 2) and administration fees for the treatment of the Damage and the Vehicle loss-of-use.

You will be able to challenge Damage identified and the invoicing thereof within fourteen (14) days after the sending (by e-mail or regular letter) of said documents.

If You fail to challenge or provide supporting documents within the above-mentioned period of fourteen (14) days, Europcar reserves the right to invoice You the cost of the repairs identified.

Europcar also gives You the opportunity to obtain a second expert opinion, at Your own expense. The automobile expert must be selected from the independent experts' association, which you will find at the following link: <http://www.securite-routiere.gouv.fr/connaitre-les-regles/le-vehicule/la-liste-nationale-des-experts-automobile>.

c) Common provisions

Please note that depending upon the Damage suffered by the Vehicle and the type of protection You have purchased with Europcar (see the Europcar Insurance & Waivers Provisions attached to Your confirmation email or available from all Europcar agencies and/or on Europcar's websites) You may or may not be charged for the full or partial amount of the cost of repair.

In any case, You will be able to contest any Damage and the invoicing thereof pursuant to the provisions of article 23 "*What happens in case of dispute related to my rental?*".

13) WHAT IS EXPECTED OF ME REGARDING VEHICLE MAINTENANCE?

During Your rental, You must take all necessary protective measures to keep the Vehicle in the same condition as that in which You have taken possession.

You must remain alert to any signal from the warning lights on the Vehicle's dashboard and take any necessary protective actions.

Any modification to or mechanical work on the Vehicle are forbidden without Europcar's prior written authorization. Should this rule be breached, You must bear the duly justified costs of restoring the Vehicle in the same state in which You have taken possession.

You will be liable towards Europcar for any detrimental consequence arising out of any infringement to the abovementioned maintenance obligations.

14) WHAT SHOULD I DO IN CASE OF ACCIDENT, MECHANICAL BREAKDOWN, OR THEFT OF THE VEHICLE?

In case of mechanical breakdown or accident which prevents You from continuing your travel and/or obliges You to stop the Vehicle to prevent any breakdown, You are provided with an assistance service, included in the price of Your rental. The terms and conditions of this assistance are set out in Appendix 1 of the present T&Cs.

In case of accident, as soon as You are aware of it and have the opportunity and within five (5) business days at the latest, You shall (i) report the accident to the Europcar pick-up agency and, if necessary, the local police authorities, and (ii) file an amicable declaration of motor vehicle accident.

Where the circumstances involve Third Parties, it is important that You duly complete and sign an accident report providing us with full details of both the incident / accident and the Third Party.

If, in the event of an accident with a known third party, You do not submit an accident report to your Europcar agency within a maximum of 5 (five) business days (unless it is materially impossible for You to do so within such time), and if Europcar is held liable by an opposing insurance company, You will be liable for the corresponding administrative fees in accordance with the section "Penalties/Payments" in the Recommended Tariffs Guide.

In these cases of accident, breakdown or theft of the Vehicle, You should call the assistance service which is included in Your rental price.

The assistance service number is as follows: 0 800 354 000 (or +33(1)49 93 72 42 from abroad).

In case of theft of the Vehicle, You shall provide Europcar with a copy of the report of theft filed with the local police authorities within two (2) business days in addition to the keys and registration papers of the Vehicle if those have not been stolen.

15) WHEN SHALL I RECEIVE MY INVOICE AND PAY FOR THE RENTAL?

You will receive a final invoice once all elements of Your rental have been settled and not earlier than the day after the Vehicle return date.

You will pay or be charged the full amount in one or several installments depending on the situation.

- You may decide to prepay (prepayment of your booking made online or at the Europcar agency) Your rental which will include the daily rental charge of the Vehicle and accessories for the Rental Period and for any additional mobility services. Your means of payment will be debited by the agreed amount. You will receive an invoice or a receipt for that prepayment. The prepaid amount and the amount of the deposit shall be stated on the Rental Agreement, which you must accept and sign when collecting the Vehicle. In addition, the prepaid amount will be stated on the final invoice and deducted from any total amount still to be paid. However, in case of rejection of the prepayment when booking, You will not be able to take the Vehicle until the total regularization of this rejection.
- If You decide not to prepay Your rental at booking time, the amount of the deposit plus the rental charges for the Vehicle and any accessories, any additional services or drivers or protections You decide to take out before You take the Vehicle away will be shown on the Rental Agreement that You will have to agree and sign before picking up of the Vehicle. The final and global cost of Your rental will be charged and invoiced at the time of return of the Vehicle at the end of the Rental Period.

Any additional fees or charges will be charged when You return the Vehicle (if they can be calculated at that time).

If You have incurred extra costs such as fines or Damage caused to the Vehicle identified in Your absence, these costs and the applicable administration fees will be charged to You at a later date when Europcar becomes aware of them.

In this respect, You will have a fourteen (14) day period starting from the date of sending (by email or regular letter) of the billing notification to contest and provide supporting documentation that You are not the cause of the fees. If you fail to contest or provide supporting documentation within the aforementioned period, the resulting fees will be charged.

Your invoice will be sent to You electronically. If You refuse to receive your final invoice electronically, You can elect to receive paper invoice.

In addition, if the due date of payment shown on the invoice has expired and You are not a Consumer (as defined in Article 2 of Directive 2011/83/EU, i.e., “any natural person who, in contracts covered by this Directive, is acting for purposes which are outside his trade, business, craft or profession”), You explicitly agree that:

- You will be liable for late payment penalties at a rate equal to the interest rate applied by the European Central Bank’s refinancing operation increased by 10 percentage points, and a €40 recovery allowance under the conditions referred to in Article L. 441-6 of the Commercial Code.
- the immediate maturity of all outstanding bills, and the cancellation by right of the Rental Agreement, and
- that Europcar will have the right to claim immediate return of Vehicle.

16) WHAT IF I WANT TO CANCEL OR MODIFY MY BOOKING?

a) Modifications

You can modify Your booking, free of charge, provided You let Europcar know **at least 48 hours before** the rental is due to start.

Please be aware that new rental prices may apply if You modify Your booking and You should always use the same communication channel that You used when booking the Vehicle in the first place to modify Your booking.

- **Cancellation in the event of force majeure** For the purpose of this section, cancellation of the booking or failure to pick up the Vehicle due to Force Majeure means that You are prevented or delayed by reason of war and other hostilities, civil commotion, accident, , trade disputes, embargoes or government restrictions of imports or exports or any other cause or circumstance beyond Your reasonable (direct or indirect) control. Please note that strikes, delays or cancellations of Your means of transport (train, plane, etc.) are not considered events of force majeure and do not exempt You from additional costs for late cancellation or “no show”.

- **If you have not prepaid your booking online and You have provided Your payment details and Your identification data (address, driver’s license number, etc.):**

Your departure Europcar agency undertakes to provide You with the chosen category of Vehicle until its closing time.

17) WHAF IF I WANT TO EXTEND MY RENTAL AGREEMENT?

In case You want to extend the Rental Period shown on Your Rental Agreement You may:

- For any extension of less than 24 hours, either give a call to the Europcar agency of check-out or go to the Europcar agency of check out
- For any extension longer than 24 hours, You must:
 - Inspect the Vehicle together with a Europcar agent
 - Pay the rental as well as any additional charges
 - Sign a new Rental Agreement or an addendum to the initial Rental Agreement.

If You don’t comply with the abovementioned conditions, the rules set forth in Article 11 (“*What procedures are being applied when returning the Vehcile*”) will apply.

18) WHAT IS THE FUEL POLICY?

The rules applicable to fueling and refueling of a Vehicle depend on the country of rental and the type of rental product you have selected. Please check carefully the rules applicable for every rental you make. Please ask Europcar’s agent for details of all available options when you collect the Vehicle.

All Vehicles are supplied with a full tank of fuel at pick up. Two options may then be made available to You:

FULL TANK OPTION

- At pick up you pay for the price of a full tank of fuel. The price of this will depend on the Vehicle category.
- You may return the Vehicle with whatever fuel is left in it.
- Whilst Europcar will not charge you for refuelling the Vehicle, Europcar will not reimburse you for any unused fuel.

FULL TO FULL

- We provide you with a Vehicle with a full tank of fuel
- You return the Vehicle with a full tank of fuel ⁽¹⁾
- You pay nothing for either refuelling service charge or fuel ⁽²⁾

⁽¹⁾ At return, to consider the tank as full, different rules are applied depending on the kilometers driven during the rental.

You drove less than 100 km: A valid station ticket will be asked as a proof of refuelling to justify that the tank is full.

You drove more than 100 km: The visual level of the gauge will be used as a proof of full tank. The tank is considered full if the fuel gauge is at maximum level (8/8).

A ticket is considered valid **as regarding the refueling date, the location of the petrol station and the amount refueled**. You should refuel a tank at a petrol station situated no more than 25 kilometers from the Europcar's agency of return of your Vehicle. Please ask Europcar's agents at the agency for additional information on ticket validity.

⁽²⁾ **If the tank is not full**, you will be charged for fuel following two methods of refueling charges calculation depending on the kilometers driven during the rental. Please note that the price per liter and fuel type will be communicated by Europcar's agents at the agency when returning the Vehicle.

You drove less than 100 km: You will be charged based on the average consumption of the Vehicle for the distance driven during the rental. The average consumption is expressed for 100 km and depends on the Vehicle model. Please ask Europcar's agents at the agency for additional information on average consumption of the Vehicle model that You rent.

You drove more than 100 km: You will be charged based on the visual level of the fuel gauge. The calculation is based on the missing 8th expressed by the gauge if the gauge is divided in 8 levels or according to the scale indicated on the gauge. If the needle is between 2 graduations, the missing 8th will be calculated based on the closest graduation. If the needle is precisely in the middle of 2 graduations, the missing 8th will be calculated based on the highest graduation (in Your favor). For example you will not be charged in case the vehicle is returned with the gauge at or above 7.5. See below for an example of fuel charge calculation.

- If the gauge is between 7 and 8 when returning the Vehicle, You will be billed to the closest missing 7th.

E.g.: if the gauge indicates 7.3 when returning the vehicle, you will be billed for one-eighth.

- If the gauge is below 7 when returning the Vehicle, You will be billed to the closest missing 8th.

E.g.: if the Vehicle is returned at 5.8, You must pay two-eighths.

If the gauge is between 7 and 8 at return, you will be charged if the gauge is closer to 7

e.g. if the vehicle is return at 7,3 you are charged for one €th

If the gauge is under 7 at return, you will be charged to the closest integer €th

e.g. if the vehicle is returned at 5,8 you are charged for two €th

Regardless of the refueling charges calculation method: If more than seven liters are missing when You return, You will be charged for an additional refueling service charge (please refer to the Recommended Tariffs Guide). If less than seven liters are missing when You return, you will not be charged for an additional refueling service charge

19) MUST I PAY A DEPOSIT WHEN PICKING UP THE VEHICLE?

When You pick up the Vehicle, You grant a credit card authorization up to the amount of the deposit. You may also pay the deposit by bank check at all Europcar agencies that accept them, provided that Europcar obtains a guarantee of check authenticity from an external provider. This transaction is performed at the Europcar Agency desk.

- If You have prepaid your Rental, the amount of the deposit is 300 EUR (or the equivalent in local currency).
- If You have not already paid for your rental at the time of booking, the total amount charged to Your credit card will be the rental price and any additional purchases at the counter of the Europcar agency, plus a security deposit of EUR 300 (or the equivalent in local currency).

In any case, the final amount is stated on the confirmation email which is sent to You when You make your reservation and in the Rental Agreement.

The deposit shall be released at the end of your Rental Agreement if no other costs are payable

20) CAN I PAY MY RENTAL IN MY OWN CURRENCY (DIFFERENT THAN THE CURRENCY OF THE COUNTRY OF RENTAL) ?

If You are a foreign renter holding a Visa or MasterCard (with a base currency other than the currency of the rental country), You can benefit from the currency conversion facility and pay in your own currency. The Europcar agent offering this facility to You will enter Your reply into the system and the Rental Agreement will specify the option chosen. In that case, Europcar will take care of the currency conversion at the end of the rental using an exchange rate provided by our currency conversion provider. The exchange rate will include the exchange fee (currently 3.25 %).

If You wish to change Your mind, You can do so by making the appropriate declaration when returning the Vehicle to the Europcar counter and will be forwarded Your final invoice in Euros.

If for technical reasons Europcar was to be unable to provide this service or if a You hold a Visa or MasterCard designed to pay in Euros, then the conversion into the base currency of the card will be carried out according to the conditions of the Your bank.

21) WHAT IS EUROPCAR DOING TO PROTECT MY PERSONAL DATA?

However, this transfer of Your data to a country with an insufficient level of protection is made only if you rent a Vehicle in a country operated by a Europcar Group franchisee located outside of the European Union. e) Alternative Dispute Resolution

Cross Border Dispute. If the country of rental and Your country of residence are different You may file a claim before the *European Car Rental Conciliation Service (ECRCS)* (<http://www.ecrcs.eu>), provided that the matter was raised beforehand in the country of rental and/or Your country of residence.

You may file a claim before the *European Car Rental Conciliation Service (ECRCS)* (<http://www.ecrcs.eu>). Indeed, Europcar has subscribed to the scheme of ECRCS in order to enable its clients to solve their complaints concerning cross border Vehicle rentals within Europe.

It should be underlined that this conciliation service can only help with disputes involving a ‘cross-border’ rental transaction occurring within the European Union - the country in which the reservation is made must be different from that in which the actual rental took place. If your complaint concerns a non-cross-border rental, ECRCS will not be able to look at your complaint.

f) Jurisdiction for rentals made on a professional basis.

If You rent a car in the capacity of business person, any dispute between You and Europcar shall be subject to the jurisdiction of the Versailles Commercial Court (or, when it is a Europcar Franchisee, the competent court of the place of its registration).

The binding documents between You and Europcar are, by order of priority, the following:

- the General Insurance and Waiver Terms and Conditions
- the Recommended Tariffs Guide;
- these General Terms and Conditions of Hire with the appendixes which apply to all aforementioned documents.

For the purposes of this pledge, Europcar France SAS has been designated as an "agreed-upon third party" in accordance with Article 2337 of the Civil Code.

Consequently, if Securitifleet SAS, Securitifleet GmbH, Securitifleet SL, Securitifleet S.p.A. or Goldfleet SAS is designated on the registration certificate, a copy of which has been given to you as the owner of the rented vehicle hereunder, the return of any vehicle by a Europcar France SAS customer must be made to Europcar France SAS in its capacity as an agreed-upon third party or, where applicable, to any other entity that may be substituted in this capacity and in no case to Securitifleet SAS, Securitifleet GmbH, Securitifleet SL, Securitifleet S.p.A. or Goldfleet SAS. Who we are

We are EUROPCAR France. We are a “Société par Action Simplifiée” incorporated in France under company number 303 656 847 and our registered office is located in Voisins-le-Bretonneux (78690), Parc d’Affaires “Le Val Saint-Quentin”, Bâtiment L, 2 rue René Caudron. We supply vehicle rental services under the brand of ‘Europcar’.

Thank you for choosing Europcar to supply your rental vehicle needs. We hope everything will go very smoothly for you but, just in case it doesn’t, we have set out below a summary of:

- insurance that we include as part of our rental service because there is a legal obligation upon us to do so [I-General Terms and Conditions of Mandatory Third Party Liability Insurance provisions]; and
- the waivers that we make available to you because we want to be able to give you peace of mind during your rental [II-General Terms and Conditions of Protection Waivers].

These insurance and waivers are designed to cover your potential financial exposure to risks if any of the following circumstances occur while you are renting and using one of our Vehicles. Without them, you will be personally responsible for the financial consequences resulting from:

Liability to a Third Party For a bodily injury or death suffered by a third party or damage to their property that occurs because of an accident or incident that you may cause. Damage to a third party’s property could include buildings or their contents, machinery or personal possessions. The financial consequences of such liability may include the cost of any business interruption associated with either the third party’s injury or death and/or the damage to their property.

Damage to or theft of the Vehicle The Vehicle itself may be damaged as a result of a collision or an attempted theft and need to be repaired or it may be so badly damaged that it is irreparable; or it may be stolen and not recovered

You should be aware that if you are the driver of the Vehicle at the time of a collision and you are responsible for the collision taking place, the injured Passengers will be covered by our Third Party Liability insurance while your own injuries (together with the possible associated consequences of it) or death will not. You can, however, be protected from such circumstances if you purchase any of our Personal Accident protections separately.

DEFINITIONS

For the purposes of this document we have given the following words or expressions particular meaning:

abnormal use: means that your use of the Vehicle while you are in charge of it doesn’t comply with the Road Traffic laws that prevail and/or does not meet with the requirements of the General Rental terms and conditions and/or does not meet with the standards of driving that would be expected of a reasonable and prudent driver

Accident Report (“declaration d’accident”): means a full and complete signed statement (including any other related document(s)) which records all of the facts of an accident or incident as they occurred (for example, how the event occurred, the nature of the damage to the Vehicle, the location where the incident took place, the dates and circumstances of how these occurred, and, if applicable, the contact information for any third party(ies) involved and/or potential witnesses).

Baggage: Means the renter’s and/or its passengers’ travel bags and suitcases and the personal effects and belongings they contain, with the exclusion of merchandise. Personal effects include valuables worth Five Hundred Euros (€500) or

more as well as jewelry (natural pearls and cultured pearls, precious and semi-precious stones) and furs belonging to the renter and/or its passengers. Baggage includes laptop computers, electronic calendars, audiovisual equipment, cameras, video recorders and Hi-Fi equipment belonging to the renter and/or its passengers.

Bodily Injury (or bodily injury) means any physical or emotional injury suffered by a person that is caused as the direct result of an accident; it is not something that is intentionally self-inflicted and it does not result from sickness or disease

Book value: means the value that a Vehicle is recorded to be worth to us on our books at the time of the incident.

Collision means the impact of the Vehicle with another fixed or moving body or object

Excess amount is a specified sum of money that, provided you have complied with the General Rental terms and conditions and have not committed a breach of any applicable laws, is the maximum amount we will charge you for the cost of any damage caused to the Vehicle as a result of a collision during the rental period or its attempted theft; or the loss of a Vehicle if it is irreparable or if it is stolen and we do not get it back. The Excess amount is a non-waivable sum that is governed by the terms and conditions of the waiver you have purchased.

General Rental terms and conditions means the document you acknowledge that you have read and approved when you sign your rental agreement, which sets out the rights and obligations that will apply to both you and us throughout the rental period

Loss of Use describes the harm suffered by Europcar where a Vehicle is unavailable for us to rent to another customer because, as a result of a collision during the rental period it was damaged and we need to take it off the road to have it repaired

Passenger means any person *other than the driver* that is being transported or is travelling in or on the Vehicle on a gratuitous basis. A Passenger would be viewed as a Third Party under the mandatory Third Party Liability insurance regimes

Waiver (or protection) in this document applies to the means by which your financial liability for any damage to or loss of a Vehicle is limited to the non-waivable Excess amount.

Third Party means any party to an incident – other than the driver of the Vehicle. For the avoidance of doubt a Passenger is deemed to be a Third Party

Third Party Liability insurance means insurance that provides the driver of a Vehicle with protection against liability for another party's claims for damage to his/her property or for bodily injury or death arising out of an incident arising whilst you are using the Vehicle. This Cover is a mandatory legal requirement and it is therefore an integral part of our rental service. The cost of it is included in the rental charge.

Vehicle means the vehicle you will be renting from us or you will be driving with our authorization.

We or we/ Us or us / Ours or ours means Europcar

You or you / Your or your / Yours or yours means any named driver

I-GENERAL TERMS AND CONDITIONS OD MANDATORY THIRD PARTY LIABILITY INSURANCE PROVISIONS

We are mandated by the laws of all of the countries in which we operate our vehicle rental services to insure our Vehicles against liability for the claims or actions of Third Parties. We have purchased an adapted Third Party Liability insurance from the foremost insurers in the business and it is automatically included as part of our vehicle rental services. You will therefore, as a matter of course, be covered up to the level legally required by the country in which you are renting the Vehicle for the consequences *others* may suffer as a direct result of your actions while you are driving the Vehicle.

What am I covered for?

As provided by law you will be insured against liability for the financial cost of any of the following consequences that may arise as a result of an incident that you cause when you are using the Vehicle:

- bodily injury or death suffered by Third Parties; and
- property damage sustained by Third Parties and losses and costs arising as a consequence of the damage.

What is excluded from the cover?

Third Party Liability insurance does not cover:

- bodily injury or death that you (the driver at the time of the collision) may suffer; or
- any damage to or loss of your personal property or possessions; or
- any damage caused to the Vehicle
- the administrative costs of file processing

What is the amount of my financial exposure for Third Party Liability?

Provided you have not committed a breach of any applicable laws (including any relevant road traffic regulations when you commit an offense that is personally attributable to you) then you will be covered for the financial cost of any Third Party Liability arising as the result of an incident or accident that you cause while you are driving the Vehicle up to the level legally required by the country in which you are renting the Vehicle.

However, if you didn't comply with those laws and/or regulations, even though our insurer will still fulfil its obligations to Third Parties under the Third Party Liability insurance policy, it may seek to recover from you some or all of the costs it may have paid to that Third Party as a result of the incident.

How to notify us?

In circumstances involving Third Parties it is important that you do your utmost to properly complete and sign an Accident Report ("*Constat d'accident*") form which gives us all relevant details of both the incident or accident and of the Third Party. This will allow us to defend our case against the Third Party (if you are responsible for the incident or accident) or to recover costs from the Third Party (if the Third Party is responsible for the incident or accident). The Accident Report form should be transmitted to us within 5 working days of the incident or as soon as you reasonably can in the circumstances.

II-GENERAL TERMS AND CONDITIONS OF EUROPCAR WAIVERS

WAIVERS INCLUDED IN THE RENTAL

- **CDW - COLLISION/DAMAGE WAIVER**

Our *collision damage waiver* limits your financial exposure for damage caused to the Vehicle while it is in your care. If you purchase our standard collision damage waiver, You will be exempt from the cost of damage to the Vehicle that exceeds the Excess amount except:

- Voluntary act
- Any violation of the General Rental Terms and Conditions relating to the use of the Vehicle
- Any violation of the General Rental Terms and Conditions relating to the authorized driver of the vehicle and to its physical condition.

This protection does not cover the loss or theft of or damage to objects or property, (including Baggage or goods) that are deposited or kept or transported in or on the Vehicle by you or by a Passenger.

You can lower the Excess amount by opting for our superior range of theft protection - Super Collision Damage Waiver, instead of our standard protection.

What does this protect me against?

This product protects your financial exposure for any amount greater than the Excess amount for the following combined costs related to:

- the cost of damage to or repair of the Vehicle or its book value if it is not repairable; and
- our Loss of Use in the Vehicle while it is being repaired or if it is not repairable

In circumstances where:

- you collide with a fixed or moving object or body; or
- the Vehicle is subject to an act of vandalism while you are driving or using it; or
- any glass lights or reflectors are damaged or broken or tires are damaged or punctured *during a collision*
- Natural Disasters: you will be covered for the damage resulting directly from an event classified as a natural disaster according to the legal definition in effect. An excess amount, which is determined by Decree, will still be payable by the renter.

What is excluded from the protection?

- You will remain financially liable for the full cost of the damage to the Vehicle if the damage is caused:
 - by the willful acts of the driver; or
 - by an explosion or fire in (or to) the Vehicle because you are using it to transport dangerous goods (dangerous goods being *any product or substance that, due to its nature and/ or main characteristics, is reasonably considered to be dangerous and which, if not transported with appropriate caution and safety, could cause harm to the Vehicle, and to any Third Party within a reasonable distance of the Vehicle*); or
 - by its total or partial theft or an act of vandalism while the Vehicle is left parked unattended.

- by your negligence (*which is behavior that falls below the standards expected of a reasonably sensible person in similar circumstances*) or the negligence of your Passengers (for example but not limited to a fire caused by the use or disposal of cigarettes or cigars);
- because the keys are lost or stolen
- Loss of or damage to your own property that is being transported or kept in or on the Vehicle during the rental period.
- The administrative costs of processing the file.

What must I do to benefit from the waiver?

You must:

- purchase the waiver;
- comply with the General Rental terms and conditions and all applicable law and local traffic regulation when you are driving the Vehicle;
- notify us within 24 hours of the date on which the incident took place and, in any event, before the end of your rental period. You must also return to us a full and complete Accident Report and/or any other document which you believe will be useful to support it.

What is the amount of my financial exposure?

If during your rental the Vehicle is damaged and you have not purchased this waiver you will have to pay for the total cost of the damage as well as compensation due to its loss of use.

We will calculate the average cost of light damage from the table matrix that you may consult in our agencies. If the damage is not listed in the table matrix (because it does not correspond to what is considered to be 'light damage' or it is not feasible to calculate the average price) then an independent expert will evaluate the damage cost which may be as much as the full Book value

However, provided you have complied with the General Rental terms and conditions and the applicable law and road traffic regulations then the maximum you will have to pay us is the Excess amount.

- **THW - Theft Waiver**

Our *theft waiver* limits your financial exposure for loss of the Vehicle if it is stolen or if it is damaged because it is subject to an attempted theft or the Vehicle is subject to an act of vandalism while the Vehicle is left parked unattended during your rental. If you have purchased this waiver then, provided you have complied with the General Rental terms and conditions, we will pay for the costs arising from the theft, attempted theft, or act of vandalism that are greater than the Excess amount. You can reduce or eliminate the Excess amount by purchasing our Super Theft Waiver instead of the standard protection.

What am I protected against?

This product limits your financial exposure for any amount greater than the Excess amount for the following combined costs related to:

- The cost of damage or repair of the Vehicle or the book value of the Vehicle if it is not repairable or lost; and
- Our Loss of Use of the Vehicle while it is being repaired or if it is not repairable;

In circumstances of:

- the theft of the Vehicle and any accessories following an occurrence of breaking and entering (*accessories being any standard component incorporated in or on the Vehicle by the car manufacturer*);
- the attempted theft of the Vehicle and of any accessories;
- any act of vandalism to the Vehicle while it is parked and left unattended by you;
- any glass or lights or reflectors that may be damaged or broken or tires that are damaged or punctured *as a result of the theft or the attempted theft*.

What is excluded from the protection?

The product will not protect you in the following circumstances:

- If the Vehicle is stolen or damaged because of your intentional negligence or more specifically (but without limitation) as a result of keys being left in the Vehicle while it is unattended or delivered to an unauthorized person; your failure to use the anti-theft system appropriately, failure to return the keys to us without justification or if you left the Vehicle unlocked when you weren't using it;
- Theft of or damage to personal effects and / or work-related goods or possessions and any goods being transported in or on the Vehicle.
- The administrative costs of file processing.

What must I do to benefit from the cover?

You must:

- ****purchase the waiver;**
- ****comply with General Rental terms and conditions as they apply to the theft or attempted theft of a Vehicle**
- ****notify the local police of any incident or event immediately or as soon as is reasonably practicable and provide us with the police report or evidence that the theft has been notified to the police.**
- Notify us, through the pick-up agency, within 48 hours of the time you discover the Vehicle is missing and forward the keys to us at the agency where you picked up the Vehicle.

**** these are the minimum requirements.**

What is the amount of my financial exposure?

If, during your rental, the Vehicle is stolen or is damaged in an attempted theft or due to vandalism while the Vehicle is parked and left unattended and you have not purchased this waiver, then you will be liable for the full cost of the damage to the Vehicle (if the Vehicle is recovered) or for the net value of the Vehicle if it is not recovered as well as compensation for the Loss of Use calculated according to the daily rental rate contracted by you multiplied by the number of days that the Vehicle has been stolen.

If you have purchased the theft waiver, provided you have complied with the General Rental terms and conditions, then the maximum you will have to pay us is the Excess amount.

What is the amount of my financial liability?

If during your rental any glass or lights on the Vehicle are broken and / or any tires on the Vehicle are damaged and you have not purchased this waiver then you will be liable for the full cost of the damage that is incurred by us, unless it can be demonstrated that an identified third party will take liability and pay for the repair.

ASSISTANCE PLUS PROTECTION (RSA)

For the duration of the rental, you have the benefit at no extra cost of a 24/7 breakdown and assistance service regarding the use of the Vehicle.

Breakdowns or fuel failures caused by you, breakage or loss of the Vehicle's keys, battery failure as well as punctures and/or damage to tires, are excluded from the scope of the free service (unless it can be demonstrated that an identified third party will take liability and pay for the repair) and will be subject to a flat charge.

Our *Assistance Plus protection* limits your financial exposure for these flat charges in such circumstances. If you purchase our Assistance Plus protection product and comply with the applicable laws and the General Rental terms and conditions then you will be exempted from these amounts in exchange for a daily fixed rental cost (see Europcar France Recommended Tariffs Guide available at europcar.fr).

What am I protected against?

This product limits your financial exposure for any flat charges billed by Europcar in the event our Assistance Service provides help for:

- fuel failures or errors
- Breakage or loss of the Vehicle's Keys
- Punctures and / or damage to tires
- Battery Failure

What am I not protected against?

Engine failure due to a breakdown or fuel errors are not covered under this waiver. You are not covered under the Assistance Plus waiver for administration fees for file processing.

What is the amount of my financial exposure?

In exchange for a fixed daily rental amount, provided you comply with our General Rental terms and conditions, you will be exempt from flat charges that Europcar may bill you in the cases mentioned above if our Assistance Service gets involved.

What must I do to benefit from the Protection?

You must:

- purchase this waiver,
- comply with General Rental terms and conditions, all applicable laws and local traffic regulations during Your rental,
- When one of the circumstances described above happens you have to contact our Assistance Service the following number 0800 35 4000 for France and at +33 (1) 49 93 72 42 from other countries to the exclusion of any other Service.

What is the amount of my financial liability?

If during your rental you have a breakdown or fuel error, breakage or loss of the Vehicle's Keys, Punctures and / or damage to tires, or Battery Failure and you have not purchased this waiver then you will be liable for flat charges detailed in our list of Europcar France fares available on our website europcar.fr for our Assistance Service.

If you purchase this Assistance Plus Waiver and provided that you have contacted our Assistance Service to the exclusion of any other service, you will not pay such flat charges owed to Europcar under these circumstances.

PERSONAL ACCIDENT & BAGGAGE PROTECTION

The following details are for information only and do not replace or supersede the terms and conditions of Axa Corporate Solutions policies (PAI #XFR0078448GP / SPAI #XFR0078449GP) copies of which can be found at [europcar.fr](http://www.europcar.fr) : <http://www.europcar.fr/EBE/module/render/Conditions-generales-assurance-et-protections>.

While we automatically include Third Party Liability insurance as part of our vehicle rental services (for details of this insurance please see the section [I] above entitled 'Third Party Liability Insurance General Terms and Conditions') this does not cover the bodily injuries suffered by the person driving the Vehicle at the time of a collision.

If you are the cause of a collision while you are driving the Vehicle you will therefore not be covered, by the rental car third party liability insurer, or by the third party public liability insurer for the financial repercussions of:

- personal bodily injury or death; or
- any damage to or loss of your Baggage or the personal property or possessions it contains.

In order therefore to minimize your financial exposure for such damage, loss or bodily injury in such circumstances we are offering two separate waivers which you can purchase on a non-cumulative basis.

- The first product (**Personal Accident waiver**) provides cover for medical expenses incurred as a result of injuries suffered; and /or a lump sum indemnity in the event of disability or death as a result of an event covered by the contract, or an accident).
- The second product (Super-Personal Accident & Baggage Protection) provides higher and best-in-class protection for medical expenses incurred as a result of injuries suffered; and /or a lump sum indemnity in the event of disability or death as a result of an accident or event covered by the contract in addition to Baggage cover.

The period of validity of these products corresponds to the dates indicated on your rental invoice with a maximum of 120 consecutive days.

PAI – Personal Accident Insurance

What am I covered for?

Under this insurance you will be reimbursed for the financial consequences resulting from your death or any bodily injury directly caused by a collision that occurs when you are driving the Vehicle:

- a lump sum payment of up to a **maximum of €50,000**
 - in the event of your death (or presumption of death) within 24 months of the collision or incident; or
 - if you ultimately remain partially or totally disabled from the consequences directly related to the collision or incident;
- medical expenses of up to a **maximum of €2,500** (which includes hospitalization, consultations and pharmaceutical costs; X-rays and relevant medical tests; dental treatment or any prosthetics) necessitated by the collision or incident.
- Provided you have purchased this insurance, the coverage will apply to you and/or Passengers in the Vehicle who are victims of the collision during your rental.
- You can benefit from this insurance irrespective of who is at fault for the collision according to the following situations:

- Passengers, who are always considered as third party under the third party liability insurance regime may be indemnified by the third party liability insurance, but they can also collect the lump sum indemnity they are entitled to under the Personal Accident Insurance
- If you are not the cause of the collision while you are driving the Vehicle (a “not-at-fault” driver), you can cumulate the third party liability insurance compensation, but you can also collect the lump sum indemnity you are entitled to under the Personal Accident Insurance,
- If you are the cause of the collision while you are driving the Vehicle (an “at-fault” driver) , you won’t benefit from a compensation from the third party liability insurance, but can collect the lump sum indemnity you are entitled to under the Personal Accident Insurance.

What is (mainly) excluded from the insurance?

This Personal Accident Insurance does not cover:

- any of the costs set out above if the expense was not incurred as a direct result of the collision or incident occurring while you were in control of the Vehicle or if you intentionally caused or brought about the accident or collision; or
- any costs relating to treatment you were receiving or medical conditions you were suffering from before the accident or incident occurred; or
- any damage to or loss of your Baggage; or
- any damage caused to the Vehicle

A complete summary of the coverage provided by this Personal Accident Insurance can be found at europcar.fr.

- The administrative costs of file processing.

What is the amount of my financial exposure?

Provided you comply with applicable laws (including any relevant road traffic regulations and, in particular, relating to the wearing of seat belts and not exceeding the official passenger capacity of the rented vehicle) then you will be entitled to the protection up to the indemnity limit shown above.

However, if you didn’t comply with the laws and/or regulations in effect, then our insurer may refuse the coverage altogether. For instance if 7 people are injured in a 5 seater vehicle then the Personal Accident Insurance will not apply at all. Or, if it can be shown that you were even partially responsible for the level of bodily injury suffered in the collision or incident, it may seek to reduce its liability for the costs.

How to notify us?

It is important that you do your utmost to properly complete and sign an accident Claim Form which will be made available on our website [europcar.fr](http://www.europcar.fr) (<http://www.europcar.fr/EBE/module/render/Conditions-generales-assurance-et-protections>). This form gives the insurance company all relevant details of the incident and will allow it to ensure your claim is being handled as efficiently as possible. The accident Claim form must be sent to us within a maximum of 5 working days of the collision or incident covered by the contract.
